What is

Jump Canada?

Jump Canada is the committee of Equine Canada that is responsible for all hunter, hunter equitation and jumper activities in Canada from the grass roots to the international level. Jump Canada is governed by a board of directors, the majority of whom are elected by the stakeholders in the sport. There are 20 board members and 14 sub-committees that are responsible for the operation of Jump Canada with the support of manager, Karen Hendry-Ouellette, who works from the Equine Canada offices in Ottawa. A complete outline of the Jump Canada structure and responsibilities can be found on our website www.jumpcanada.ca.

CORE OBJECTIVES

1. To develop, build and grow Canada's hunter/jumper community at all levels.
2. To improve the effectiveness of communications to internal and external audiences.
3. To promote rider and horse development at an international level.
4. To administer and manage the Jump Canada organization.
5. To improve and increase funding and sponsorship base.

Since its inauguration in 1998, Jump Canada has initiated important national programs, fostered grass roots development within the provinces, fielded successful teams at World Championships, Pan American Games and Olympic Games, and maintained financial responsibility.

Owners are particularly important to the success of show jumping in Canada. Through their support of the athletes and ownership of their horses, owners make it possible for Canada to field competitive teams in international events. Their support is paramount to Canada's success and, each year, Jump Canada presents the Owner of the Year Award in recognition of their invaluable contribution to the sport.

Jump Canada has created a number of other programs and awards in order to recognize contributions to the sport and to provide support for participants. The following are the Jump Canada programs developed to date. The complete criteria for each program can be found on the Jump Canada website.

- 'CAVALOR' Athlete of the Month
- Sponsor of the Year
- Jump Canada Bursary
- Talent Squad Series
- Jump Canada Series
- Travel Assistance
- Official of the Year
- Venue Development Fund
- Officials' Accessibility Fund
- Volunteer of the Year
- Owner of the Year
- Young Horse Development

The Jump Canada levy allows us to support these national programs. In addition, a portion of the levy is distributed to each Provincial Hunter/Jumper Association to be used for grassroots development.

Erynn Ballard

Birthplace:
Oakville, Ontario

Birthdate:
September 13, 1980

Hometown:
Hillsburgh, Ontario

Erynn began riding at the age of five with her parents, David and Sandi Ballard, and entered the show ring one year later. Equally talented in hunter, jumper and equitation, Erynn became only the second Canadian to win the prestigious ASPCA Maclay National Championship at the 1998 National Horse Show at Madison Square Gardens. The following year, she and Leacock captured the Individual Gold Medal at the 1999 North American Young Riders' Championship.

Stepping up to the Grand Prix ranks, Erynn made her Nations' Cup debut at the 2006 Spruce Meadows "Masters" tournament, helping Canada to achieve victory for the first time in the event's history, and was named Equine Canada's "Equestrian of the Year" for 2006. In March of 2007, she and Robin Van Rosendaal delivered two clear rounds to help Canada win the Nations' Cup competition in Wellington, Florida.

Erynn is the professional trainer and coach for her family's business, Looking Back Farm. Recognized for her ability to ride all types of horses, Erynn is often the pilot of numerous mounts in the Young Horse classes.

Gary Brewster

Birthplace:

London, England

Birthdate:

June 21, 1970

Hometown:

West Vancouver, BC

Gary Brewster is one of Canada's brightest stars for the future of show jumping. Having worked his way up the ranks, Gary is now a mainstay at the Grand Prix level, competing throughout Canada and the United States.

Gary was named to the 2006 Jump Canada Talent Squad, a means of recognizing competitors with the potential to become future members of the Canadian Show Jumping Team. He quickly realized that potential by being named to the 2007 Canadian Team Short List where he has remained ever since.

A successful 2007 season saw Gary place second in the \$75,000 Kubota Cup Grand Prix at the Royal Manitoba Winter Fair followed by a win in the \$40,000 Kubota Cup Grand Prix at Edmonton Northlands riding Hurricane. With Royal Viali, Gary opened the 2008 season with a win in the \$25,000 HITS Grand Prix in Tuscan, Arizona.

Gary is based at Twin Oaks Farm in Richmond, British Columbia. He and his wife, Suzanne, an accomplished amateur rider, have one son, Henry.

Frankie Chesler-Ortiz

Birthplace:
Miami, Florida

Birthdate:
December 20, 1980

Hometown:
Orangeville, Ontario

Born in Miami, Frankie began riding at the age of four and has successfully competed in the western disciplines of barrel racing and team penning. Her first taste of international jumping success came at the 1997 North American Young Riders' Championship where she captured Individual and Team Silver medals with Braveheart.

At the age of 17, partnered with Ravenna Z, Frankie was selected to represent Canada at the 1998 National Horse Show in New York City, making her the youngest Canadian to ever ride on a Nations' Cup team. In 2001, she participated in a Canadian Developing Riders Tour and, in 2004, furthered her European education by spending the season based in Holland and Belgium. It paid-off with a spot on the Wellington Nations' Cup Team in 2005 as well as two major Grand Prix victories in Ottawa and Collingwood. In 2007, Frankie guided Picolien Zeldenrust to three clear rounds to place second in the €300,000 (\$400,000 US) CN WorldWide Grand Prix in Wellington, Florida.

Show jumping runs in the family – her parents, Alan and Sherry, were also show jumping competitors, as is her husband, Juan Ortiz of Venezuela. Frankie enjoys the support of several sponsors including Finish Line, Ariat, Bioniche Animal Health, Vettec, CWD, Running Fox, Exhibitor Lab, and Comfort Tech.

Mac Cone

Birthplace: Memphis, Tennessee **Birthdate:** August 23, 1952 **Hometown:** King, Ontario

A steady performer at the international level for more than 30 years, Mac Cone is the only athlete to have competed on both the United States and Canadian Equestrian Teams. Following early beginnings that saw him train under the legendary Bert de Nemethy and win Nations' Cup events for the United States, the Memphis native moved north in 1979 to marry Canadian Brenley Carpenter.

Riding the Hannoverian stallion, Elute, Mac was the highest-placed Canadian rider at the 1996 Atlanta Olympics. It was a feat he would repeat at the 2002 World Equestrian Games in Jerez, Spain, riding Cocu. His current grand prix string consists of Melinda, his Team Silver Medal partner at the 2007 Pan American Games in Rio de Janeiro, and Ole, the winner of the \$60,000 Kilkenny Cup Grand Prix at the highly-competitive 2008 Winter Equestrian Festival in Wellington, Florida.

In addition to his skills as a rider, Mac is deservedly recognized for his coaching abilities having trained 1986 World Champion Gail Greenough. He counts 2003 Pan American Games contender, Mark Samuel, and 2002 World Equestrian Games teammate, Melissa Brown among his current clients at Southern Ways Stable.

Karen Cudmore

Birthplace: Victoria, British Columbia **Birthdate:** January 7, 1959 **Hometown:** Omaha, Nebraska

Based in Omaha, Karen made her debut riding for Canada in international competition as a member of the 2001 Canadian Developing Riders Tour. The experience paid off when, the following year, she and Conejo easily won the Selection Trials to earn a place on the Canadian Team at the 2002 World Equestrian Games in Jerez, Spain.

In 2003, Karen and Conejo represented Canada at the World Cup Final in Las Vegas and the Pan American Games in the Dominican Republic. With another Holsteiner stallion, the American-bred Southern Pride, Karen was the alternate for the 2007 Pan American Games in Rio de Janeiro, and was a member of the second-placed team in the CN Nations' Cup held at the 2008 Winter Equestrian Festival in Wellington, Florida.

Karen and her husband, Blair, also Canadian by birth, have two daughters and reside in Omaha, Nebraska. They operate Heartland Farm, a Holsteiner breeding operation with approximately 150 horses, including ten Holsteiner stallions.

Mario Deslauriers

Birthplace: Venise en Quebec, Quebec **Birthdate:** February 23, 1965 **Hometown:** Bromont, Quebec

Mario began riding as a child and, in 1984 at the age of 19, became the first Canadian and the youngest rider to ever win the World Cup Final, a record he still holds. Later that year at the Los Angeles Olympics, he was involved in a three-way jump-off for the individual bronze medal, eventually finishing fourth with Aramis.

A two-time Canadian Show Jumping Champion, Mario has represented Canada at every major international event. While competing at the 1999 World Cup Final, Mario was awarded his World Cup Silver Medal for competing in over 100 World Cup Qualifying competitions. He again represented Canada at the 2000 and 2001 World Cup Finals.

Mario remains an integral member of the Canadian Show Jumping Team. He helped Canada win back-to-back Nations' Cup titles in 2006 and 2007 in Wellington, Florida, and, in September of 2006, was a member of the Canadian Team that scored its first victory in the \$350,000 BMO Nations' Cup at Spruce Meadows, Calgary.

Mario is based at Bromont Equestrian Centre, site of the 1976 Olympic Games equestrian competition.

Darrin Dlin

Birthplace:

Edmonton, Alberta

Birthdate:

March 2, 1970

Hometown:

Wellington, Florida

Alberta native Darrin Dlin rocketed onto the Canadian show jumping scene in 2007. With impressive results during the winter circuit in his hometown of Wellington, Florida, Darrin made the decision to spend the summer season in Canada contesting the 2007 Pan American Games Selection Trials.

As fate would have it, he won the first two qualifying events in the Canadian World Cup League. In July, he led the victory gallop in the \$70,000 World Cup Grand Prix Jumping du Quebec in Blainville, Quebec, and, one month later, claimed the \$100,000 Caledon Equestrian Park Grand Prix in Palgrave, ON. At the close of the Canadian World Cup season, Darrin's position in the standings earned him an invitation to the World Cup Final in Goteborg, Sweden, where he made his debut riding for Canada in international competition. Even more impressive is the fact that his horse, Catwalk, was bred in Canada.

Kim Farlinger

Birthplace:
Toronto, Ontario

Birthdate:
July 30, 1984

Hometown:
Annan, Ontario

A natural athlete, Kim Farlinger spent her youth participating in track and field and equestrian, and her natural riding ability quickly saw her skyrocket to the top levels of the sport.

In 2003, Kim won the North American Young Riders' Championship Junior Individual Gold Medal and made her Grand Prix debut the next winter. Following a successful summer competing at Calgary's famed Spruce Meadows facility, including being invited to the prestigious CSIO Masters Tournament, she closed out the 2004 season by finishing a close second to Ian Millar in the Canadian Show Jumping Championships.

Kim is currently competing at the Grand Prix level with two mounts, Cordoba and Bay Street. At the 2008 HITS Desert Circuit in California, Kim and Cordoba enjoyed victory by winning the \$25,000 Ariat Grand Prix and also placed second in the highly-competitive \$75,000 Grand Prix.

Kim graduated with honours from high school in Owen Sound, Ontario, and enjoys downhill skiing and music. She operates her own business, Kim Farlinger Stables Ltd., just south of Ottawa.

Hartford, Connecticut

Birthdate:

June 14, 1957

Hometown:

Orangeville, Ontario

Jay Hayes was born and raised on a dairy farm near Hartford, Connecticut, and began riding at age 12. He competed in the highly competitive junior jumper division, coached by Ronnie Mutch, and went on to play intercollegiate polo.

He has been a member of the Canadian Equestrian Team since 1985 and has represented Canada at every major event, including the 1992 Olympic Games in Barcelona with his white stallion, Zucarlos, who delighted the crowds with his signature buck. After winning the first 2000 Olympic Selection Trial at Spruce Meadows, Jay and Diva led the standings from start to finish, resulting in a berth to Sydney.

As well as representing Canada in international competition, Jay is involved in the organization of the sport and was President of the highly successful Collingwood Horse Show which ran for more than 20 years. He and his family continue to organize and manage several horse shows each year. After marrying horsewoman Shawn Carpenter, Jay moved to Canada and received his citizenship in 1985. Shawn and Jay have three daughters – Lauren, Ainsley and Reagan, who have all competed in the jumper divisions.

Eric Lamaze

Birthplace:
Montreal, Quebec

Birthdate:
April 17, 1968

Hometown:
Schomberg, Ontario

One of Canada's most talented riders, Eric Lamaze is a serious contender whenever and wherever he enters the grand prix ring. The three-time Canadian Show Jumping Champion has represented Canada at the past four consecutive World Equestrian Games in 1994, 1998, 2002 and most recently 2006 where he placed second during the first two days of competition. In 1999, he was a member of the Canadian team that captured the Bronze Medal at the Pan American Games, again represented Canada at the 2003 Pan American Games and, in 2007 in Rio de Janeiro, captured Team Silver and Individual Bronze Pan Am Medals riding Hickstead.

Easily Canada's leading money earner for 2007, Eric's scored an incredible victory for Canada at the 2007 Spruce Meadows Masters Tournament by winning the \$1 million CN Grand Prix. It marked the first time that a Canadian had won the richest grand prix event in the world since Ian Millar and Big Ben in 1991.

Eric operates Torrey Pines Stables in Schomberg, Ontario, where he coaches many promising show jumping competitors. In his spare time, he enjoys playing tennis and squash.

Ian Millar

Birthplace:
Halifax, Nova Scotia

Birthdate:
January 6, 1947

Hometown:
Perth, Ontario

With eight Olympic starts as of the 2004 Athens Olympics, Ian Millar has competed in more Olympic Games than any athlete in Canadian history, in any sport. At age 61, he is still on top of his game and hopes to make his ninth Olympic appearance in August of 2008.

If Millar's Olympic record is impressive for longevity, his Pan American Games record is equally so for his medal count. He has earned nine medals in eight Pan American Games, more than any other show jumper.

In spite of his Olympic and Pan American Games records, it was the World Cup of show jumping where Millar first broke new ground. In 1988 and '89, he and his legendary partner, Big Ben, became the first-ever horse and rider combination to win back-to-back World Cup Finals.

The most decorated equestrian in Canadian history, Millar is a member of the Order of Canada, was Ontario's Athlete of the Year in 1989, was inducted into the Canadian Sports Hall of Fame in 1996, and was awarded an honorary doctorate by the University of Guelph, Ontario in 2005.

Hyde Moffatt

Birthplace: Port Hope, Ontario **Birthdate:** June 19, 1979 **Hometown:** Brantford, Ontario

Andrew Hyde Moffatt had an unusual introduction to horses. When he was five years old, a girl at school brought in her horse for show-and-tell and Hyde was hooked!

Hyde entered the grand prix ranks riding Ting Tin, a son of the well-known sire Chin Chin. Starting their Grand Prix career together in 2004, Hyde and Ting Tin steadily improved with each outing, enjoying top ten finishes at several of the biggest horse shows in Canada including the Capital Classic Show Jumping Tournament, the Collingwood Horse Show, Tournament of Champions, and the Royal Agricultural Winter Fair. In 2007, Hyde brought two more horses up to the grand prix level, Denver and Kelly du Lautier. He also competes with several horses in the Young Horse Development Series including Atlanta van de Padenborre, who was crowned the 2007 National Seven and Eight-Year-Old Champion.

In addition to his equestrian pursuits, Hyde also enjoys long distance running.

Tamie Phillips

Birthplace: Kamloops, British Columbia **Birthdate:** December 1, 1972 **Hometown:** Strathmore, Alberta

Growing up on a ranch in Kamloops, British Columbia, Tamie Phillips started taking formal jumping lessons at the age of nine and, after successfully showing as a teenager, turned professional on her 18th birthday. Her first taste of national success came in the mid-90's when she qualified for the Talent Squad Finals at Toronto's Royal Horse Show.

In 2004, Tamie moved to Strathmore, Alberta, where she operates Caragana Show Jumpers. A fabulous 2005 season at Spruce Meadows riding Starlet saw Tamie receive the Chrysler Leading Canadian Rider Award. In 2006, Tamie was named a Canadian Team alternate for the World Equestrian Games in Aachen, Germany, and, after winning the \$35,000 Kubota Cup Derby in Richmond, BC, riding Lucas, was crowned the Western Canada Kubota Cup Champion for the second year in a row.

Horses are a way of life for Phillips and her family. Her mother, Merle Gardner, and her younger sister, Shawna Phillips, operate a horse business in Williams Lake, British Columbia. Tamie and her mother bred both Lucas and Starlet, promising indications of what their small breeding program is capable of producing.

Chris Pratt

Birthplace:
Toronto, Ontario

Birthdate:
April 18, 1969

Hometown:
Belfountain, Ontario

For Chris Pratt, it all began with four goats. After spending his first ten years in the city, Chris moved to a farm north of Toronto. There were sheep, chickens, goats - everything but horses. Tired of hearing Chris ask for a pony, his father finally relented, trading four goats for what would become a lifelong commitment for Chris.

The first sign that Chris was destined for greatness came in 1994 when he topped the Kanatek Talent Squad and also received a Firestone Development Scholarship. Over the past five seasons, Chris has racked up impressive victories including back-to-back wins in the \$125,000 CN Grand Prix and the \$60,000 Kubota Cup Grand Prix during the Bromont International in July of 2006. That same year, Chris made his official Nations' Cup debut in Wellington, contributing two clear rounds to help Canada secure victory, and represented Canada at the 2006 World Equestrian Games in Aachen, Germany.

At the beginning of 2007, Chris headed to California to work with U.S. Equestrian Team member, Richard Spooner, and has been enjoying impressive results ever since, most notably in World Cup qualifying competition. When not riding, Chris can often be found on the golf course.

Ainsley Vince

Birthplace:
Oakville, Ontario

Birthdate:
August 3, 1976

Hometown:
Milton, Ontario

Following a successful junior career, Ainsley Vince was named to the Canadian Equestrian Team in 1995 after enjoying consistent finishes in several World Cup Qualifiers riding Hocus Pocus.

Ainsley has experienced tremendous success with the veteran campaigner, Catch 22, a gelding that she purchased as a six-year-old. The pair made their international debut riding for Canada at the 1999 Washington International Horse Show before helping Canada win their second consecutive Bank of Montreal Nations' Cup at Toronto's Royal Horse Show.

One of this country's most successful horse-rider combinations, Ainsley and Catch 22 were back-to-back Canadian Show Jumping Champions in 2001 and 2002. Ainsley and Catch 22 have represented Canada at the annual World Cup Final on three occasions, in 2000, 2003 and 2004. Also in 2004, Ainsley and Catch 22 were members of the winning Canadian Team in the Nations' Cup in Wellington, Florida.

Ainsley operates her own training and sales business, Linden Ridge Limited, on her parents' farm in Milton, Ontario. Her two younger sisters, Courtney and Sydney, are also successful show jumping competitors.

Cambridge, Ontario

Birthdate:
March 16, 1983

Hometown:
Rockwood, Ontario

At the age of 17, Kean White won the Junior/Amateur Championship at the 2000 Royal Horse Show, which would prove to be a sign of big things to come. Kean successfully entered the grand prix ranks in 2002, earning the title of 'HITS Rookie of the Year'. The following year, he was the traveling alternate for the 2003 Pan American Games in the Dominican Republic with Arriscraft Rocca and, in September, the pair made their Nations' Cup debut at the prestigious CSIO Spruce Meadows 'Masters' tournament in Calgary, AB.

Kean operates Angelstone Farms and competes with approximately 20 horses in the show ring. Kean is the only brother to three sisters - Zria, Madrigal and Trella, all of whom he coaches.
